How to check to see if a journal is peer reviewed...

If you click **Check for fulltext** from one of our databases or Google Scholar, you can quickly see if a journal is peer reviewed from our Article Linker Page. See example below. **Click Ulrich’s Periodicals Directory** to be directed to information about the journal. Look for the “Refereed” symbol. *Note: Ulrich’s Periodicals Directory is also available from the Databases page or the FGCU Library Catalog.*

---

**Click on Ulrich’s Periodicals Directory and you will see the journal is Refereed or Peer Reviewed.**

---
